

SOUTH EAST CRICKET ASSOCIATION (SECA)

SOCIAL MEDIA POLICY

Background

SECA recognises that social media is an important part of the way members communicate. Members are actively encouraged to participate in social media and share their experiences in cricket.

SECA recognises the importance of the internet to improve and increase the flow of information, shaping public thinking about our organisation, members, sponsors and stakeholders.

Accordingly, SECA will look to develop and maintain its own online social media presence through which it hopes to deliver content to its members and the public to develop and increase opportunities to play cricket in our region.

Social media is a broad and changing concept. It generally refers to interactive electronic forums or online media where people are communicating, posting participating, sharing, networking or bookmarking.

For the purposes of this by-law, social media extends to:

- Electronically communicated material, whether written, photographic, video, or audio, which is accessible by more than the member alone;
- Social Media websites such as Facebook, YouTube, Twitter, Instagram, LinkedIn, Wikipedia, Flickr and related domains;
- Blogs; social networking sites; instant messaging; social bookmarking, mediasharing and collaborative editing websites;
- Any other forum which might reasonably be classified as social media as that term is generally understood; and
- Any other forum for public comment

Guidelines

When using social media, a person must not:

Communication must:

- be restricted to issues directly associated with delivering our sport, such as advising that a scheduled event is cancelled;
- personal or social content limited only to convey the message in a polite, and friendly manner.

In particular;

- not include anything that may be perceived as being sexual in nature;
- not be used to promote unauthorised 'social' activity or to arrange unauthorised contact;
- not include a request for a Child or Young Person to keep a communication a secret from their parents; and
- not include a request to 'add as a friend', 'follow' or communicate with Children or Young People using Facebook, Instagram, Twitter, Twitch, Snapchat, TikTok (or other social networking sites), Internet chat rooms or similar forums, game sites or instant messaging, other than MyCricket Messenger.
